Dr. Robert Cestari is the WORST. I wish I would have read reviews before going to him.. He is old, uncaring, rough, and complains throughout the entire already uncomfortable session. During a recent visit he continually said "I can't see", "this isn't working" etc. He even told me it was my fault and we may have to do it again! I paid \$750, waited more than an hour, and was in pain the entire time. I have no desire, time, or money to do it again!! He is AWFUL. I am writing this review in hopes that no one will go to him. I wish I would've known...
