My experience with Dr Malviya was excellent. If you want a medical Dr who knows what he us doing, and cares for you, he is it! He takes his time to look at you and your medical condition. His wait times average 1 hour, but I felt it was worth it. I would rather have a Dr who cares about me as a... [Read More](#)

Dr. Malviya was learned, experienced and gentle, whispering in my ear after surgery to let me know the details and at the same time giving support. He is literally a lifesaver. The office wait time is long but I don't mind because I know his time is spent between the hospital, the surgery and his ... [Read More](#)
