Hello, I was a patient that was very apprehensive about the news of surgery. However, Dr. King's excellent bedside manner and concern for my health helped me to understand the severity of not having it. Dr King was patience, understanding and answered every question me and my family had. Most... [Read More](#)

Actually I like Dr King, but the practice is so poorly run, it is unacceptable. From the 1 hour plus wait to their billing practices (referring a bill they KNOW I am disputing with my insurance co to a collection agency after just 3 months!) they are the worst medical practice I have ever been to.... I think shes a decent dr, but the office staff was a deal breaker for me.....they were tolerable when they were in RVC, but certainly not worth the effort to go there now that they are in Valley Stream. Dr is a little to "preachy" for me....its MY body I decide what Im doing....phoney concern.... [Read More](#)

Dr. King seems like a sweet person but her office is so disorganized and impersonal that I have decided to switch doctors. In the 3 times that I've been there, they have asked me to fill out the same set of paperwork EVERY time. Sono's and blood work are typical for each visit during early... [Read More](#)
