Providence makes every effort to ensure that this list of providers is up to date and accurate. Information listed in this directory is not guaranteed and may be subject to change without notice. Revisions to this directory may not be made immediately. For the most up-to-date information, please verify that the provider you have selected is covered by your plan. You may do this by contacting customer service at 800-878-4445 or by calling the provider prior to scheduling an appointment to verify that he or she is covered by your plan and is accepting new patients.

Practitioners and hospitals in the Providence Health Plan networks must meet Providence Health Plan credentialing requirements. Providence Health Plan does not currently use specific quality measures, member experience measures, patient safety measures or cost-related measures to determine our networks, including our Marketplace networks.
