About the Juneau Pro-Choice Coalition

For every local and statewide election, the JPCC Political Action Committee (PAC) provides each candidate a questionnaire on reproductive health care issues. Then, based upon their responses, we report each candidate's viability as a "Pro-Choice" candidate. Candidate questionnaire responses and the JPCC PAC Voter Guide are [posted here](#) and mailed to registered voters in Juneau.

JPCC also actively monitors the Alaska Legislature, Juneau Assembly and School Board for issues pertaining to women's reproductive health care, and mobilizes people to act when reproductive health care issues are at stake.

2015 Board Members: Carolyn V. Brown, MD, MPH, Nancy Courtney, Lisa Eagan Lagerquist, LaRae Jones, and Caroline Schultz.
