NEWS OF INTEREST TO THE PRO LIFE COMMUNITY IN TN

Susie Allen

Pro Life thoughts in a pro choice world through the eyes of a convert. I took early retirement after working in the social work and Human Resources fields but remain active by being involved in pro life education, lobbying and speaking .

WA abortionist gets fine for aborting his child to cover up affair

*How sad is this? WA state **abortionist** , John Eiland M.D., aborts own child to cover up impregnating a co worker. He gets a fine and has to go to an ethics training course. They say he should have referred his pregnant girlfriend to another abortionist and he did not keep a medical record (for obvious reasons).*
