Meet Dr. Ruth K. Weinberg

Ruth K. Weinberg, MD, a board-certified gynecologist, is the medical director at Boulder Valley Women's Health Center, serving those in and around Boulder and Longmont, Colorado. She provides specialized gynecologic care when it's outside the scope of practice of our advanced practice nurses.

Dr. Weinberg has special expertise in managing hormonal therapy for transgender patients. She also performs any necessary outpatient procedures for gynecologic needs at the Boulder location. Dr. Weinberg delivers care with compassion and commitment to the patient's well-being. She, like the entire staff at Boulder Valley Women's Health Center, takes into consideration the patient's lifestyle, family situation, reproductive needs and desires, and personal preferences when treating gynecological issues.

Dr. Weinberg accepts Medicaid, Medicare, and most insurance plans. She also sees patients on a sliding fee scale based on their income. Her educational efforts focus on providing nonjudgmental information and encouraging personal responsibility and decision-making. Each patient's life situation is honored, with a goal of empowering patients to make responsible reproductive healthcare choices.
