Selina Sandoval

Class of 2020

Hometown: Sacramento CA

College: The University of Arizona

Medical School: University of Illinois College of Medicine

Dr. Sandoval was born and raised in Sacramento, California. She attended the University of Arizona in Tucson, AZ for her undergraduate education before continuing her higher education at the University Of Illinois College Of Medicine in Peoria, IL for her medical degree.

She was drawn to KU by its impressive faculty, the growth of the program, and the obvious camaraderie between residents.

In her free time, she enjoys crafting, sewing, working out, and spending time with her friends, family, and pets.

"What makes our program unique is the overwhelming love and support we have for one another and the dedication each of our faculty has to our learning and developing, inside and outside the hospital."
