About Kenneth P Blau, MD

Women's Health Associates is comprised of four obstetrician-gynecologists, one surgical gynecologist specializing in pelvic reconstruction and minimally invasive surgery, four certified nurse-midwives, and one physician assistant. Our group owns and operates the only freestanding birthing center in Connecticut. We are recognized as the first practice in the state to offer a wide range of office-based procedures including Essure tubal ligations and endometrial ablations for abnormal uterine bleeding. For over 25 years we have led our community in advanced surgical techniques, chosen by Intuitive Surgical corporation to help train over 20 gynecologists in the northeast to perform robotically-assisted surgical procedures.
