Savita Ginde

Chief Healthcare Officer

[Read Savita's bio...](#)

Dr. Savita Ginde joined STRIDE's leadership team in July 2017. Prior to coming on board with STRIDE, she served as the Chief Medical Officer for Planned Parenthood of the Rocky Mountains (PPRM) for almost 14 years, where she established a clinical training program, a clinical research program, strategically expanded the breadth of services to meet patient needs, and worked alongside clinic staff to develop clinic efficiencies amidst a culture of teamwork and shared success.

She completed her undergraduate degree at the University of Pennsylvania followed by medical school in the British West Indies. She then went on to complete residency training in Family Medicine at

Dartmouth followed by specialty training by completing the Fellowship in Family Planning at the University of Rochester in upstate New York.

After Fellowship, Savita moved to Colorado and has ever since played a key role in providing healthcare services to the men, women, and children across Colorado. Savita has been providing comprehensive family planning care for over 15 years. She is passionate about healthcare equity and access to healthcare services and to accurate and sound medical information.

Kellie Hodgson

Vice President of Finance
