What People Say About Dr. Beth Lewkowski, MD

Recent	Highest	Lowest	Most Helpful
--------	---------	--------	--------------

★★★★★ ↩ Reply ...

This woman botched my hysterectomy leaving me septic and with a colostomy bag for a year. I'm still dealing with the effects of her mistake. I'm on surgery number six because of all this. If it was too hard to see because of all my scar tissue then you should have stopped the surgery altogether.... [Read More](#)

I waited 50 min in the room only to be seen for 5min. I got no ultrasound photos, no telling of how fast the heartbeat was, didn't check to see if I still had an infection. I told my s/o to take his phone out for pictures and she only gave us one photo, and it wasn't even a clear one. And this lady... [Read More](#)

About Me

Care Philosophy

"I believe in empowering women to make educated healthcare decisions through discussion about their condition and all available treatment options. Every patient is different and there is not a 'one-size fits all' treatment that works for everyone. I strive to work with each individual to find the most appropriate treatment for them."
