Melissa Natavio, MD, MPH

Assistant Professor of Clinical Obstetrics and Gynecology

Practicing locations:

Keck Hospital of USC
Keck Medical Center of USC Downtown
LAC+USC Medical Center
USC Norris Comprehensive Cancer Center and Hospital

About this doctor:

Dr. Natavio joined the USC faculty in 2010 after completing a fellowship in family planning from the University of Southern California, which allowed her to receive advance clinical and research training in the area of family planning. During her fellowship, she also completed a Master of Public Health degree in Healthcare Management & Policy from the University of California, Los Angeles. Dr. Natavio holds an appointment of assistant professor of clinical obstetrics and gynecology at the USC Keck School of Medicine, where she teaches and mentors trainees in the fields of obstetrics, gynecology, and family planning. It is her goal to provide the highest quality of comprehensive reproductive health care services to all women.

Education:

Doctor of Medicine, Wayne State University, 2003
Master of Public Health in Health Management and Policy, UCLA, 2010

Internships:

LAC+USC Medical Center, Ob/Gyn, 2003 - 2004

Residencies:
