## Announcements

Beginning on April 13, we will have scheduled appointments only on Tuesdays and Thursdays; no walk-in appointments available. To make an appointment or talk to a triage nurse, please call 919-684-6327 from 8:00am - 5:00pm, Monday through Friday.

# Duke Gynecology Clinic - Clinic 1J

Type: Duke University Hospital Outpatient  
Department

*Hospital-based clinics are an extension of Duke Health hospitals and have additional facility charges. Some insurance companies process bills with a deductible and coinsurance rather than as a co-pay as for an office visit. This may impact the amount of the bill you are responsible for after payment from your insurance plan. Check with your insurance company before your visit to determine what your responsibility will be.*

Duke Gynecology offers comprehensive counseling, evaluation and management of a full range of gynecological services, including minimally-invasive surgery. The department is dedicated to excellent patient care and service.

## Clinic Hours

## Services

**Duke Gynecology Clinic - Clinic 1J is home to all of your Family Planning Services including:**

**Comprehensive Contraceptive Services**

We specialize in innovative contraceptive techniques and provide

comprehensive contraceptive services, especially for patients with complex medical issues. Some of these conditions include hypertension (high blood pressure), diabetes, coagulation disorders (blood clotting problems), history of blood clots (deep vein thrombosis or pulmonary embolism), cardiac disease, migraines, extensive uterine or cervical surgeries, or a compromised immune system.

- Sterilization including Essure tubal occlusion procedure
- IUD insertion and removal
- Nexplanon insertion and removal
- Emergency contraception
- Adolescent reproductive health care
- Counseling regarding all available and cutting edge research contraceptive methods to match the best method with your medical and social needs.
- Counseling and contraceptive management for LGBT patients

## Medical and Surgical Termination of Pregnancy

We provide medical and surgical termination of pregnancy in a private and specialized environment. Our services include management of complicated pregnancies, mid-trimester pregnancies, and termination for fetal anomalies. All patients receive counseling regarding pregnancy options and procedures, ultrasound confirmation of pregnancy dating, and contraceptive options. We provide 24-hour patient phone contact for emergencies.

## Management of Miscarriage

We provide services for women experiencing miscarriage, including medical treatment and surgical management of pregnancy loss in private, specialized and compassionate outpatient environment. In addition to comprehensive counseling and referral, we offer specialized support services to address emotional aspects of loss.

## Accepted Insurance

Duke Health contracts with most major health insurance carriers and transplant networks, including the ones listed below. Before scheduling your appointment, we **strongly recommend you contact your**

**insurance company** to verify that the Duke Health location or provider you plan to visit is included in your network. Your insurance company will also be able to inform you of any co-payments, co-insurances, or deductibles that will be your responsibility. If you proceed in scheduling an appointment and your health insurance benefits do not participate with Duke, your out of pocket liability may be higher. We will contact you regarding your coverage and patient liability. If you are uninsured, learn more about our [financial assistance policy](#).

## Preparing For Your Visit

Download a [PDF guide](#) that includes information on what to expect during your visit.

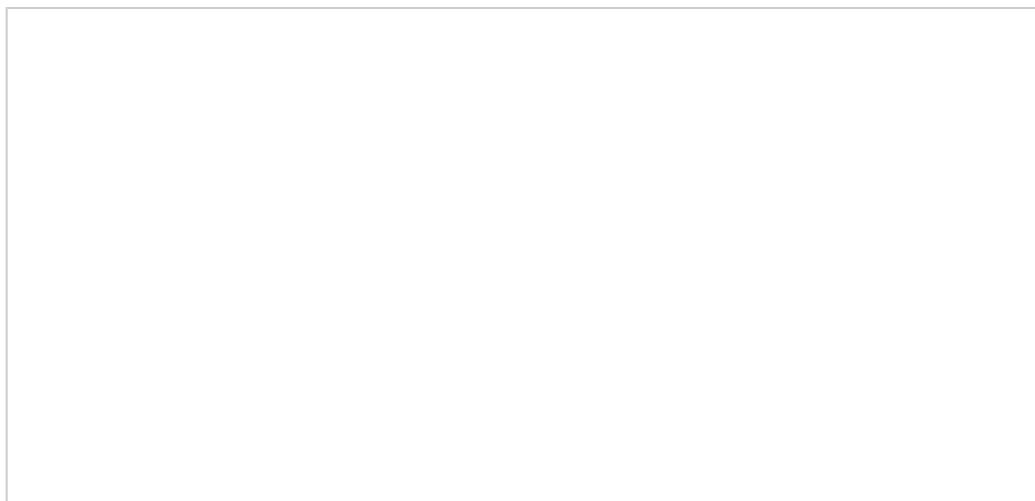

Give yourself plenty of time to get to your appointment. Your doctor may ask you to arrive early so that you can have lab tests completed before your examination. Even if this is not the case, we suggest that you should allow about 45 minutes to get to your appointment in addition to your travel time to Durham. This will allow you sufficient time to [park](#), locate the building, get to the particular clinic you're visiting, and register. Duke Clinic is approximately a quarter of a mile from the nearest parking deck. Please note that appointments may be subject to being rescheduled upon late arrivals.

Informal clothing and comfortable shoes are appropriate attire for your visit.

## Getting Here

Duke Clinic  
40 Duke Medicine Cir  
Clinic 1J  
Durham, NC 27710-4000

 [Get Directions](#)

## Parking

Parking is available in the Duke Medicine Circle Parking garage on Trent Drive. Cost: \$2 per hour or a maximum \$8 per day.

Discount parking coupons are at Duke University Hospital gift shops. Valet parking is available at the Duke Clinic entrance for \$9 per day.
