## Sharon L. Sheffield, MD, FACOG

Dr. Sharon Sheffield is board certified by the American Board of Obstetrics and Gynecology. She has been practicing in Franklin since 1997. She is a graduate of the University of Virginia, and she completed her internship and residency at Eastern Virginia Medical School. Dr. Sheffield is interested in all aspects of women's health care. In addition to a full-time obstetrics practice, she also enjoys gynecological surgery. As a gynecologic surgeon, her areas of surgical interest range from minimally invasive procedures to major abdominal surgery. She is also certified to perform laparoscopic supracervical hysterectomies.
