Specializing In Internal Medicine

One of the most respected and essential medical specialties practiced today is Internal Medicine. An Internist specializes in the diagnosis and treatment of chronic and acute illnesses with regard to the entire human body with particular emphasis on the well-being of the whole adult person.

Dr. David Brown is an internal medicine specialist. He received his medical degree from Temple University in Philadelphia, PA in 1987 and completed his comprehensive training at Albert Einstein Medical Center/Montefiore Medical Center in New York City, New York. Dr. Brown is Board Certified by the American Board of Internal Medicine.

Dr. Brown is skilled in diagnosing internal disorders including heart diseases, respiratory conditions, diabetes, cancer, thyroid disease, high blood pressure and many other medical conditions. Using his knowledge, wisdom and experience, together with the benefit of modern technology, Dr. David Brown is able to evaluate, diagnose and treat a variety of medical illnesses that his patients present with. However, preventive medicine is a main focus of his medical practice and the patient's well-being is always his primary concern.

Dr. Brown enjoys a culturally diverse population and has practiced successfully in South Florida for over 16 years. As healthcare professionals, Dr. David Brown and his staff provide expert medical and preventive care to each of their patients. Dr. Brown welcomes new patients.
