Mar 9, 2020	Always great when I go to see them
Mar 3, 2020	From start to finish, it was a wonderful experience. Was impressed by the competent and efficient staff - and appreciated how thorough Dr. Teixeira was in answering all my questions.
Feb 27, 2020	dr.Ronnie T. was very thorough answered my questions
Feb 26, 2020	I really like Dr. Teixeira and how well she answers questions and listens! Afterwards, a staff member was to send in a referral for me and I requested that I choose the doctor/location for the referral but the staff member said they prefer I use Straub (which I understand, but I have HMSA and I have choices that I wanted to exercise). So instead of assisting me with other options, the staff member said I had to do the work from here, meaning she wasn't going to assist me anymore. I would appreciate a helpful attitude and approach for my preferences next time.
Feb 24, 2020	I love Dr. Teixeira, she makes having to go to the doctor not so bad. She's very caring and knowledgeable.
Feb 24, 2020	Ronnie is a wonderful doctor. I'm better after treatment
Feb 19, 2020	Doctor R.Teixeira is excellent, she explains everything so I can understand and takes excellent care of when I have to my check ups
Feb 12, 2020	The doctor and her staff were great. I lobby reception area is odd. I didn't realize I was supposed to wait for a receptionist by a white circle on the floor. There were three receptionists, all on the phone. I didn't approach the counter till one receptionist was available. I was politely told that next time I should stand on worn out circle. It was an odd way the start. I recommend d that the Kaneohe clinic get some community feedback on a better way to greet their clients-patients. Maybe a stand with 'velvet' cord like a movie theater line, or stands and 'rope' like the bank line. Mahalo.
