Before you book online:

If you develop a **fever, cough, or shortness of breath**, please do not come to a health center. Call us before scheduling online. Birth control may be available through the [PP Direct app](https://plannedparenthooddirect.org/) (<https://plannedparenthooddirect.org/>).

Additional Information

MORE APPOINTMENT INFORMATION

We're unable to provide childcare at our health center. For safety reasons children need to be accompanied by an adult when they're in the waiting room. Only infants can accompany you to the exam room. Please bring a friend or family member to be with your children if you don't have childcare at home.

You can fill your birth control prescriptions at our health center instead of the pharmacy. Pill pickups are available during open hours.

You can come to us for services that don't require a medical exam. For example, birth control education and supplies; emergency contraception (AKA the morning after pill); pregnancy testing and counseling; STD testing, and testing and treatments for urinary tract infections.

SPECIALTY SERVICES

Pills Now Pay Later is available at this health center –a service that allows you to visit us for one appointment and walk out the door with up to a year's supply of birth control and a convenient, low cost monthly payment plan.
