Our Doctors

MENU

VA Pacific Islands Health Care System

Our Doctors lists physicians, dentists, nurse practitioners and other Licensed Independent Practitioners located at this medical center or health care system.

The Veterans Health Administration wants to provide helpful information to our Veterans and their caregivers. We strive to have accurate information posted on this website. Information on practitioners' current license(s) and board certification(s) is updated periodically and we are currently reviewing the data for accuracy. Board certification may be with one of several board certifying bodies and is not a requirement of VHA.

If you have a concern about a provider to whom you have been referred, please speak with your health care team. If you have a question about care you have already received, please contact the Patient Advocate at your facility.

Gaylyn Li, MD
