We'll help you find the right plan

eHealth is your one stop to compare, shop and apply for health insurance online

Live agent support 24/7

Need assistance? eHealth has you covered. We have over 200 licensed insurance agents ready to help you any time of the day.

We offer the best prices

Whether you buy from eHealth, your local agent or directly from the health insurance company, you'll pay the same monthly premium for the same plan.

We protect your privacy

As your health insurance agent, we're committed to protecting your privacy and the information you provide to us.

Important notices and disclaimers

This site is only designed as a quick initial search and is based on information available to eHealth. You should not solely rely on the results of this page because this type of information can change or otherwise be inaccurate. Instead, you should verify the results found here by checking with both your insurance company and your doctor or other service provider. Not all plans from the same insurance company necessarily have the same network coverage, so make sure you check the information about your specific plan.
