Positive Response - Carol Lynn Dellinger MD - Lic # 01056172A

Since you last renewed, have you been denied staff membership or privileges in any hospital or health care facility or have staff membership or privileges been revoked, suspended, or subject to any restriction, probation, or other type of discipline - or have you resigned in lieu of discipline or termination?

My hospital staff privileges were suspended at Wishard Hospital in Indianapolis, IN for less than one month in August of 2012 due to a delay in my returning my reapplication for staff privileges. My privileges were promptly reinstated on receipt of my reapplication.

Please email me back or call my cell phone at 317-985-1565 if you need any further information.

Thank you,

Carol Dellinger MD
