Lovely woman, just super fast, didn't feel like she gave me any new info. It was a pregnancy appt. Wish the providers would do more to - Offer me info about my pregnancy & development of my baby. Only asked me if I had problems/questions. I don't know what I don't know!
Patient | January 21, 2020

I am so impressed and pleased with my care by *Dr. Hemmingway.
Patient | January 9, 2020

*Dr. Hemmingway is an excellent, empathetic physician.
Patient | December 6, 2019

Good - she was a good listener, compassionate.
Patient | November 11, 2019

she kept repeating the same sentence & really didn't seem like she cared to even figure out my child's problem.
