That's me using some audiovisual effects during my talk. If you want to know what it is that I'm actually doing, come out and hear me speak!

Meanwhile, that's me laughing at what is probably one of my own jokes....

After the talk, I received the ARHP "Preserving Core Values in Science" award from president & CEO Wayne Shields. Mimi Ziemann, an M.D. who chaired the session where I spoke, is also in the picture.

And here I am with Linda Dominguez, Assistant Medical Director Planned Parenthood of New
