Re: Termination of Management Services Agreement

Dear Dr. Blum:

You may not be aware that I entered into a Management Services Agreement (MSA) between two entities that I owned – Fidelity Venture Services, LLC (Fidelity) and American Healthcare Services, PC (American). This MSA was entered into in 2015 and subsequently modified on June 19, 2017.

Now I have transferred ownership of American Healthcare Services, PC to you. Since I wish to retire and not to continue with my involvement, or my company's involvement, in managing American through the MSA, therefore I am writing to formally notify you that Fidelity is hereby terminating the MSA between it and American. This will divorce both me and my company, Fidelity, completely from American Healthcare Services, PC.

I wish you all the best of luck in your new role as Medical Director and Owner of American Healthcare Services, PC.

With best wishes for the success of the practice, I remain...

Sincerely yours,

Vikram Kaji, MD, FACOG  
President and Owner
