## Doctor Profile

### Basics

Full Name Frances W Ginsburg

Gender Female

PECOS ID 4688771868

## Sole Proprietor

Yes - She owns an unincorporated business by herself.

## Accepts Medicare Assignment

She does accept the payment amount Medicare approves and not to bill you for more than the Medicare deductible and coinsurance.

## Medical Specialties

- **Endocrinology** (primary specialty)
- Obstetrics/Gynecology

## Experience

- Over 40 years of diverse experience

## Credentials

- Medical Doctor (MD)

## Education and Training

- Dr. Frances W Ginsburg attended and graduated from New York University School Of Medicine in 1980.

## NPPES Info

- NPI #: 1215946900
- NPI Enumeration Date: Saturday, August 5, 2006
- NPPES Last Update: Friday, October 12, 2007

## Quality Reporting

- **eRx** - She does not participate in the Medicare Electronic Prescribing (eRx) Incentive Program.
- **PQRS** - She does report Quality Measures (PQRS). The Physician Quality Reporting System (PQRS) is a Medicare program encouraging health care professionals and group practices to report information on their quality of care. Quality measures can show how well a health care professional provides care to people with Medicare.
- **EHR** - She does not use electronic health records (EHR). The Electronic Health Records (EHR) Incentive Program encourages health care professionals to use certified EHR technology in ways that may improve health care. Electronic health records are important because they may improve a health care professional's ability to make well-informed treatment decisions.
- **MHI** - She does not commit to heart health through the Million Hearts initiative. Million Hearts is a national initiative that encourages health care professionals to report and perform well on activities related to heart health in an effort to prevent heart attacks and strokes.
- **MOC** - She does not participate in the Medicare Maintenance of Certification Program. A "Maintenance of Certification Program" encourages board certified physicians to continue learning and self-evaluating throughout their medical career.
