[ABOUT ME](#)

About Ying Zhang

Ying Zhang, MD, MPH, is a family physician who specializes in primary care, family planning & women's health, LGBTQI health, and obstetrics. Dr. Zhang believes in supporting patients in their health and decision-making by giving them the information and tools they need to make good decisions for themselves and their families. She utilizes team-based care and culturally sensitive approaches where appropriate.

Dr. Zhang is an assistant professor in the Department of Family Medicine at the UW School of Medicine.

Personal Interests

Dr. Zhang enjoys spending time with her family, spending time outdoors, and staying active.
