[□](#) Doctor Profile

[□](#) Basics

Full Name	Daryl Wieland
Gender	Female
PECOS ID	9931393014

Sole Proprietor

No - She does not own an unincorporated business by herself.

Accepts Medicare Assignment

She does accept the payment amount Medicare approves and not to bill you for more than the Medicare deductible and coinsurance.

Medical Specialties

- **Obstetrics/Gynecology** (primary specialty)

Experience

- Over 26 years of diverse experience

Credentials

- Medical Doctor (MD)

Education and Training

- Dr. Daryl Wieland attended and graduated from Columbia University College Of Physicians And Surgeons in 1994.

NPPES Info

- NPI #: 1285723601
- NPI Enumeration Date: Thursday, October 12, 2006
- NPPES Last Update: Friday, August 20, 2010

Quality Reporting

- **eRx** - She does not participate in the Medicare Electronic Prescribing (eRx) Incentive Program.
- **PQRS** - She does not report Quality Measures (PQRS). The Physician Quality Reporting System (PQRS) is a Medicare program encouraging health care professionals and group practices to report information on their quality of care. Quality measures can show how well a health care professional provides care to people with Medicare.
- **EHR** - She does not use electronic health records (EHR). The Electronic Health Records (EHR) Incentive Program encourages health care professionals to use certified EHR technology in ways that may improve health care. Electronic health records are important because they may improve a health care professional's ability to make well-informed treatment decisions.
- **MHI** - She does not commit to heart health through the Million Hearts initiative. Million Hearts is a national initiative that encourages health care professionals to report and perform well on activities related to heart health in an effort to prevent heart attacks and strokes.
- **MOC** - She does not participate in the Medicare Maintenance of Certification Program. A "Maintenance of Certification Program" encourages board certified physicians to continue learning and self-evaluating throughout their medical career.
