### Assaf Yosha MD

**Specialties:**

Family Medicine

**Medical School / Professional School:**

Albany Medical College

**Languages:**

Hebrew, Spanish

**Certifications:**

American Board of Family Medicine

*Dr. Yosha received his medical degree from Albany Medical College. He completed his Family Medicine training at Columbia University Medical Center in New York City. After a year of working for the Indian Health Service and in rural New Zealand in tandem with his wife, he went on to complete an obstetrical fellowship in Seattle, WA. Dr. Yosha's goal is to provide comprehensive family-centered care for each individual and family he sees. He enjoys watching his young patients grow and continuing to care for them on their journey to adulthood. He loves to help his patients solve their health problems and in turn gain confidence and freedom in other areas of their lives. He sees himself as an advocate for his patients' health needs and as their link to the medical community. Dr. Yosha is an experienced clinician who is passionate about helping women achieve a healthy and natural childbirth and guiding his patients through the postpartum and newborn period in the context of their entire family. His training allows him to also care for common high risk perinatal conditions including operative obstetrics, as well as providing almost all forms of birth control.*

If you are uninsured or underinsured, or need a referral to a doctor or dentist, call our Affordable Health Line at 585-328-7000. Depending on your income and household size, we can help you qualify for Child Health Plus, Family Health Plus, Medicaid, Healthy New York, EPIC, or the RPCN Community Health Care Plan. If you are not eligible for any of these plans, we will help you identify other healthcare access options to meet your needs. For more information, visit [www.rpcn.org](http://www.rpcn.org).

Look for the RHIO icon for authorized RHIO participants. Rochester RHIO makes your information available wherever you go—from the doctor to the pharmacist, primary care physician to a specialist, or a radiology center to the emergency room. With your consent, your healthcare provider will be able to view your information so they can provide the most informed care and treatment. For more information, go to ... [Rochester RHIO](#). The RHIO icon appearing in a provider's directory listing indicates the provider participates with the Rochester RHIO.
