

Keystone 65 Focus HMO-POS Provider/Pharmacy Directory

Keystone 65 Focus Rx

This directory is current as of October 2020. This directory provides a list of Keystone 65 Focus Rx's current network providers. This directory is for Bucks, Chester, Delaware, Montgomery, and Philadelphia counties in Pennsylvania.

To access Keystone 65 Focus HMO's online provider directory, you can visit **ibxmedicare.com**. For any questions about the information contained in this directory, or for more recent information or other questions, please call our Member Help Team at **1-800-645-3965**, seven days a week, 8 a.m. to 8 p.m. TTY/TDD users should call **711**. Please note that on weekends and holidays from April 1 through September 30, your call may be sent to voicemail.

Changes to our pharmacy network may occur during the benefit year. You will receive notice when necessary. An updated *Provider/Pharmacy Directory* is located on our website at **ibxmedicare.com**. You may also call our Member Help Team for updated provider information.

This document may be available in alternate formats, such as braille, large print, or audio. To receive this information in an alternate format, please call our Member Help Team at **1-800-645-3965**. TTY/TDD users should call **711**.

Out-of-network provider

A provider or facility with which we have not arranged to coordinate or provide covered services to members of our plan. Out-of-network providers are not employed, owned, or operated by our plan or are not under contract to deliver covered services to you.

Service area

A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it's also generally the area where you can get routine (non-emergency) services. The plan may disenroll you if you permanently move out of the plan's service area.

Member Help Team

A department within our plan responsible for answering questions about health plan coverage, including, but not limited to, enrollment, billing, benefits, and claims. Please review the back of your ID card or see Chapter 2 in the *Evidence of Coverage* for information about how to contact the Member Help Team.

How do you find Keystone 65 Focus providers that service your area?

The directory contains a list of PCPs, specialists and pharmacies in the Keystone 65 Focus network in alphabetical order by county then by city. You should use the Table of Contents to locate the type of provider you are looking for. Please call the provider's office to see if the provider is accepting new patients. Be sure to ask the provider if they participate in the Keystone 65 Focus plan.

How do you find a pharmacy?

This directory provides a list of Keystone 65 Focus network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Keystone 65 Focus only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **October 2020**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with **P** to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail-order delivery program. For more information, please contact us or see the mail-order section of this *Provider/Pharmacy Directory*.

Where do you go if you have questions?

If you have questions about any of the above, or require assistance in selecting a PCP, please call our Member Help Team at **1-800-645-3965**, seven days a week, 8 a.m. to 8 p.m. TTY/TDD users should call **711**. You can also visit **ibxmedicare.com**.
