About

Tampa Bay Gynecology - Heading Medical Director

Tampa Bay Gynecology is excited to offer a new level of **EXCELLENCE** in gynecologic care. **Kirk Brody, MD FACOG** has brought his renowned and nationally recognized skills to the Tampa Bay area and has joined our practice!

Dr. Brody brings expertise in treating Hormone Replacement, Heavy Periods, Abnormal Menstrual Periods, Pelvic infections, Vaginal discharges, Abnormal Pap smears, Endometriosis, and an entire range of Family Planning and Gynecology issues.

“In office surgery” if necessary, is offered with minimal discomfort and much less cost and much more convenience than hospitalization. Immediate appointments are available.

WOMEN OF TAMPA
BAY HEALTHY” By
Insuring That Our
Practice Is At The
Forefront Of Medical
Information And
Technology

TESTIMONIALS

She made me feel so comfortable. Her voice was soft and she spoke slowly and clearly and made sure that I understood every step that she was taking. Her exam was easy and painless and she solved my problem. It doesn't get better than that.
