Hartford, CT

Amina Carter, MPH, PA-C

Clinical Research Project Manager

May 2012 - Aug 2013 · 1 year 4 months

Philadelphia, PA

I am currently managing industry sponsored and NIH funded clinical research protocols for acute and chronic liver disease. I am involved in study start-up activities including budget negotiations and institutional review board submissions, research patient care, and project management. I also manage all of the clinical research coordinators and research assistants in the Division of Gastroenterology research.

Clinical Research Coordinator

May 2008 - May 2012 · 4 years 1 month

Clinical research coordinator in the Division of Gastroenterology at the University of Pennsylvania. Working under Dr. Rajender Reddy, director of hepatology and medical director of liver transplantation. Currently coordinating 3 NIH funded study protocols studying Acute Liver Failure, Drug- and CAM- induced Liver Injury, and Non-alcoholic Steatohepatitis (NASH). In addition, I am coordinating several pharmaceutical industry sponsored drug trials for the treatment of Hepatitis C.

Workplace Wellness Intern

Virtua Health

Jul 2007 - Apr 2008 · 10 months

Coordinated and implemented employee health and wellness programs such as Weight Watchers at Work and Walking challenges. I also played an integral role in bringing the Tobacco-Free initiative to Virtua health.

Undergraduate Researcher

University of Delaware

Jan 2007 - May 2007 · 5 months

Undergraduate researcher in the Food Chemistry department. Studied rheological properties of flaxseed for its use in the health food industry.
