Re: Brenda Pereda, M.D.

To Whom it May Concern:

This firm has represented Brenda Pereda, M.D., in conjunction with two (2) cases in the Wayne County Circuit Court. Both cases arose during the time of her residency.

In *Henning -vs- Harper-Hutzel Hospital*, Dr. Pereda was not a named party but rather a witness in the trial that resulted in a defense verdict of no negligence. Dr. Pereda was a resident physician at Harper-Hutzel Hospital and responded to and evaluated a patient who subsequently claimed to have fallen at the hospital suffering injuries. Dr. Pereda's examination demonstrated that there was no history of a fall and no injuries consistent with the patient's subsequent claims.

In *Sawyer -vs- Dr. Susan Hendrix, et al*, Dr. Pereda was a resident who assisted the attending physician (Dr. Hendrix) during a robotic laparoscopy procedure. It is alleged that an injury to the small bowel occurred during that procedure. The case is currently pending but multiple expert physicians have reviewed the matter and found no fault on the part of Dr. Pereda or Dr. Hendrix.

I trust that this is sufficient for your purposes. However, if you need further information, please do not hesitate to contact me.

Very truly yours,
