## Drugs & Devices in 2018

Totals listed below account for all payments from that mention this product. Beginning in 2016, the government began classifying products as drugs, devices, biologics or medical supplies. Below, you will see drugs (drugs and biologics) and devices (devices and medical supplies). If a payment record mentions more than one product, the entire value will be included in each of those products. When no products are listed, they are not included in the list below.

PRODUCT NAME	PRODUCT TYPE	PAYMENTS <sup>†</sup>
<a href="#">PARAGARD</a>	Device	\$11,378
