***Primary Source Verification***

*The license information in this web page has been designed and implemented to meet primary source verification requirements of the Joint Commission accredited hospitals and the National Committee for Quality Assurance (NCQA) certified managed care organizations, and it can be used as the primary source verification.*

***Note on 'Area of Specialty'***

*Specialty board certification information was obtained directly from American Board of Medical Specialties (ABMS), [www.abms.org](http://www.abms.org), or American Board of Osteopathic Medical Specialties (AOA), [www.aoa-net.org](http://www.aoa-net.org), as a written direct verification, quarterly update, or from the official ABMS or AOA primary source verification website. Minnesota's Physician Profile contains specialty certifications only from ABMS and AOA, because they are universally recognized and easily verifiable. Other organizations certify and endorse specialization with their own standards and procedures. You may wish to ask your physician about such certifications if he or she does not list one of the specialties from the ABMS or AOA.*

**Maintenance of Certification (MOC)**

MOC is an ABMS program of lifelong learning and requires physicians to self-assess their competency. Further information can be found at [www.abms.org](http://www.abms.org). The American Osteopathic Association also has a continuous lifelong process "Osteopathic Continuous Certification" or OCC. Further information is available at [www.osteopathic.org](http://www.osteopathic.org).

**Criminal Conviction**

Minnesota Statute 214.072 (a) mandates the licensees to report the "conviction of a felony or gross misdemeanor occurring on or after July 1, 2013, in any state or jurisdiction." and mandates the Board obligate to post these information online.
