About

As a physician, I've dedicated my career to serving the full-spectrum reproductive health needs of my community. I strive to provide thoughtful, compassionate, and evidence-based care through a racial justice lens. As an

Ghazaleh Moayed, DO, MPH

start or end in the exam room and we have a duty as physicians to advocate for our communities. As an educator, I model humanity in medical care and I aim to create a safe-space for learners to try, fail, and try again.
