Info

Adjunct Assistant Professor, [Department of Obstetrics, Gynecology and Women's Health \(OBGYN\)](#).

MD, University of Washington in Seattle, 2012

Obstetrics and Gynecology, University of New Mexico in Albuquerque, 2016

Fellowship in Pediatric and Adolescent Gynecology, Washington DC, 2018

Master of Clinical Research, Georgetown University, 2018

Summary

Dr. Fowler trained all over the country starting at the University of Washington in Seattle, WA for medical school, the University of New Mexico for residency, and Children's National/Medstar in Washington, DC for fellowship. She came to Minnesota for a job in pediatric and adolescent gynecology at Children's Minnesota where she is clinically busy but does try to fit in some research and teaching. She

lives with her husband and their 3 dogs, who all are usually found outside.

Research

Research Summary/Interests

Published research in gynecologic care for transgender patients, pain relief with IUD insertion, gynecologic concerns for patients with congenital adrenal hyperplasia. Current projects include expanding enhanced recovery after surgery (ERAS) principles to pediatric surgery and PCOS in adolescents.

Teaching
