The Massachusetts Department of Public Health has implemented a deferral of expiration on all licenses, certifications, permits, and certificates of registration in good standing issued by the Board of Registration in Nursing, the Board of Registration of Physicians Assistants, the Board of Registration of Perfusionists and the Board of Respiratory Care in adherence to [Order of the Commissioner of Public Health COVID-19 Public Health Emergency Order No. 2022-15](#) (issued June 14, 2022) and [Order of the Commissioner of Public Health \(COVID-19 Public Health Emergency Order No. 2022-18](#) (issued September 30, 2022).

PLEASE NOTE WHEN REVIEWING EXPIRATION DATE:

- If the license expiration date is prior to March 10, 2020, the license is expired.
- Licenses in the professions of Nursing, Physician Assistants, and Respiratory Care with an expiration date between March 10, 2020, and December 31, 2022, are current under the Commissioner's order, but will expire on December 31, 2022. If the expiration date is on or after December 31, 2022, for a license in one of these professions, the license is current and will expire on the stated date.
- MCSRs in these professions with a status of "Current COVID-19" will expire on December 31, 2022.

Please note, Emergency Medical Services certifications are not affected by the above guidance - their marked expiration date and status are accurate. See [Emergency Medical Technicians \(EMTs\) and Paramedics](#) for more information.

Select a Profession and enter one or more additional fields below. Searching by license number or last name will produce the most efficient results. Otherwise you may retrieve too large a data set to work with on your screen.
