Disclaimer

The information contained in this website is being made available as a public service by the Massachusetts Board of Registration in Medicine (the Board). No posted information or material provided is intended to constitute legal or medical advice. The information contained in this website is drawn from information provided to the Board by individual physicians licensed in Massachusetts and reported to the Board from other sources, and the Board cannot guarantee its accuracy or the accuracy of information on other sites accessible through links herein. The Board of Registration in Medicine currently publishes a Profile for each physician who has an Active Massachusetts license. Certain adverse information reported to the Board and published on a Physician's Profile (Massachusetts malpractice payments, Massachusetts criminal actions, Board discipline, Massachusetts health care facility discipline and discipline by licensing boards in other states) is included only if it occurred after November, 1986. The discipline by licensing boards in other states and the criminal activity information which is on a Physician's Profile may not be comprehensive. The Board makes no representations or warranties, either express or implied, by providing information through this web site, and the presence of an individual on the Board's website does not in any way constitute an endorsement by the Board or the Commonwealth of Massachusetts.
