CONSENT ORDER

The Department of Financial and Professional Regulation, Division of Professional Regulation, of the State of Illinois, by Vladimir Lozovskiy, one of its attorneys, (hereinafter the “Department”) and Keith M. Reisinger-Kindle, D.O., (hereinafter “Respondent”), by Vito M. Masciopinto, his attorney, hereby agree to the following:

STIPULATIONS

Keith M. Reisinger-Kindle, D.O., is licensed as a Physician and Surgeon in the State of Illinois, holding License No. 036-161818, which is currently in active status. At all times material to the matter(s) set forth in this Consent Order, the Department of Financial and Professional Regulation, Division of Professional Regulation, of the State of Illinois had jurisdiction over the subject matter and parties herein.

Information has come to the Department’s attention alleging that Respondent failed to properly evaluate patient-in-question prior to performing 2nd trimester elective abortion procedure in the outpatient setting which resulted in hospitalization of the patient-in-question for post-procedure complications. The allegation(s) as set forth herein, if proven to be true, would constitute grounds for suspending, revoking or other discipline of Respondent’s license as a Physician and Surgeon, on the authority 225 Illinois Compiled Statutes, Paragraph 60/22(A)(5).

Subsequently, the Department filed a formal complaint and while this matter was pending for April 2025 Prehearing, Respondent's attorneys reached out to the Department to engage in further negotiations for a resolution of the pending matter. For purposes of this Consent Order, Respondent neither admits nor denies the Department's allegations but, in an effort to avoid the expense and time associated with protracted litigation, Respondent acknowledges that should this matter proceed to a contested hearing, the Illinois State Medical Board (the "Board") could find a violation of the Medical Practice Act. Respondent has been advised of the right to proceed with the formal hearing to contest the allegations and the right to Administrative Review of any Order resulting from a hearing. Respondent knowingly waives each of these rights. Such waiver ceases if this Consent Order is rejected by either the Director or the Illinois State Medical Board. Respondent acknowledges that he has freely and willfully entered into this Consent Order without any threat or coercion by any person. Respondent has not relied upon any representation by or on behalf of the Department other than those set forth herein.

Respondent and the Department have agreed, in order to resolve this matter, that Respondent be allowed to enter into a Consent Order with the Department, providing for the following:

CONDITIONS

WHEREFORE, the Department, through Vladimir Lozovski, its attorney, and Keith M. Reisinger-Kindle, D.O., Respondent, through Vito M. Masciopinto, his attorney, agree to the following:

A. Upon effective date of this Consent Order, Illinois Physician and Surgeon License of Keith M. Reisinger-Kindle, D.O., License No. 036-161818, is hereby reprimanded;

B. Respondent shall be fined in the amount of five thousand (\$5,000.00) dollars.

Respondent shall pay the aforementioned fine within twelve (12) months from the final approval of this Order. Said check shall be made payable to "Illinois Department of

Financial and Professional Regulation” and mailed to the following address:

**Illinois Dept. of Financial and Professional Regulation
SSC - Accounts Receivable Section – Fines
P.O. Box 7086
Springfield, Illinois 62791-7086**

C. Within twelve (12) months of the final approval of this Consent Order, Respondent shall submit a proof of completion of ten (10) Category I CMEs in the area of 2nd trimester evaluation and management of abortions and ten (10) Category I CMEs in the area of record-keeping. Said CMEs have to be pre-approved in writing by the Department’s Probation Compliance Unit. Said CMEs are not allowed to be counted towards regularly required CMEs pursuant to the Illinois Medical Practice Act;

D. This disposition is considered a public disciplinary action for reporting purposes to entities such as the National Practitioner Data Bank and Federation of State Medical Boards;

E. If Respondent violates any of the terms and conditions of this Order, the Director of the Division of Professional Regulation may issue an Order forthwith mandating the automatic, immediate, indefinite suspension of Respondent’s Illinois Physician License for a minimum of twelve (12) months. This indefinite suspension shall not preclude the Department from taking any other disciplinary or other actions it deems appropriate. In the event Respondent contests in writing (by the filing of an appropriate petition with the Department) the factual basis underlying said indefinite suspension within thirty (30) days of the imposition thereof, then Respondent shall be afforded a hearing on the merits within thirty (30) days from filing of said petition;

E. This Consent Order is a final administrative order. Consent Order shall become

effective immediately after it is approved by the Director of the Division of Professional
